                                      G. Calvert                               )

1. Apology for absence had been received from Hugh Caldwell

2. Minutes of the Previous Meeting: the Minutes of the meeting held on 19th March, 1981, had been circulated and were taken as read. There were no matters arising.

3. Programme for 1982. The Hon. Sailing Secretary presented a draft programme for discussion. It was agreed that as a new Sailing Secretary would be taking over, who had yet to be appointed, discussion should concentrate on general principles and that a further meeting would be held before the A.G.M. to discuss detail. The following general points were agreed:-

- a) The balance of the 1981 programme as between passage races and Hayling Bay races was about right.
- b) There should continue to be two cross-channel races. The possibility of going to Le Havre instead of Ouistreham on May 29 would be examined. It was imperative to have formal alternative race instructions should that cross-channel event have to be cancelled.
- c) The A.G.M. would be asked for their reaction to a cruise in company to the West Country rather than Brittany to follow the Cherbourg race on 17 July.
- d) Race to Brighton over August Bank Holiday.
- e) It was thought that the concept of a jig-saw race was too complicated and that Bembridge would therefore not be included in the programme.
- f) Include a pursuit race.
- g) Try to rearrange the Itchenor Casket for either 11 or 25 September.
- h) N.A.B. Cups to be included in C.C.R.C. programme.
- i) Try to arrange a weekend with Sonatas as requested but priority to be given to joint race with C.Y.C.
- j) Encourage Trapper 300's to join C.C.R.C. for a passage race.

4. Next Meeting: this was arranged for 28 October, 1981, at the offices of Messrs. Pember & Boyle at 6.0 p.m.

5. There being no other business, the Meeting closed at 8.10 p.m.
